Art & Design offers a varied programme according to each student's abilities, skills and interests. The course is taught in a dedicated art studio on site, with possible field trips or to a local art museum/exhibition if available.

Student art will be showcased to the whole school every Friday at the Academy Art Exhibition. Student art may also be posted online.

The teachers are all specialist art teachers recognised by British state and private school systems.

Prizes will be awarded each week to students who produce exceptional work or perform well.
