

“THAT’S WHY THEY COME AND WHY THEY keep coming back, BECAUSE THEY WANT TO get a feel for WHAT IT’S LIKE TO STUDY IN ENGLAND.”

NICHOL, CENTRE MANAGER AT EMBASSY ACADEMY

Summer Academic Study

A true taste of a British education with subjects taught by qualified British school teachers.

This programme teaches a variety of subjects, including maths, science, art and humanities. It's ideal for students who are currently at intermediate level English or above and who want to experience what it would be like to study in an English school or to prepare for further study at English-speaking school, college or university.

Students who book onto this programme will be asked to take a short level test in advance to verify they are intermediate level. If their level is seen to be less than intermediate, we will recommend an alternative, such as Intensive English.

SUMMER ACADEMIC STUDY

KEY FACTS:

- 23 hours academic lessons per week
- Subjects could include: **maths, history, geography, science, and philosophy**
- The maximum teacher to student ratio is 1:8
- Students join in the whole school activity hour where they will get a chance to mix with other students
- Available at Roedean and Warminster
